

### REMARKS

The Office Communication mailed October 31, 2006 alleges that in response to the restriction requirement of March 27, 2006, Group I and the primer pair of SEQ ID NOs:23-24 were elected. Office Action at p. 2. The Examiner further states “[h]owever, in identifying the claims readable on the elected species ... applicant included claim 12, which is drawn specifically to the primer pair combination of SEQ ID NOs:23-24 and SEQ ID NOs:25-26. Accordingly, it is unclear whether the species elected by applicant is the primer pair of SEQ ID NO 23-24, or the primer pair combination of SEQ ID NOS 23-24 and SEQ ID Nos 25-26.” *Id.* Therefore, the Examiner has required “[c]larification of applicant’s election and the claims readable thereon.” *Id.*

Applicants confirm the election of Group I, with traverse for the reasons stated in the response filed April 26, 2006, and further confirm the species election of the primer pair of SEQ ID NOs:23-24, with traverse. Applicants submit that the elected species reads directly on claims 1, 3, 4, 6, 7, 8, 10, 11, 13, 14, 16, 19, and 20.

Applicants remind the Examiner that upon allowance of a generic claim, applicant will be entitled to consideration of claims to additional species which depend from or otherwise require all the limitations of an allowable claim according to 37 C.F.R. §1.141.
